

CITATION REPORT

List of articles citing

Descriptive epidemiology of upper aerodigestive tract cancers in France: incidence over 1980-2005 and projection to 2010

DOI: 10.1016/j.oraloncology.2011.02.013
Oral Oncology, 2011, 47, 302-7.

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
