List of articles citing

Dental implant placement after mandibular reconstruction by microvascular free fibula flap: current knowledge and remaining questions

DOI: 10.1016/j.oraloncology.2011.07.016
Oral Oncology, 2011, 47, 1099-104.

Version: 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
