

# CITATION REPORT

List of articles citing

Perineural invasion in oral squamous cell carcinoma: a discussion of significance and review of the literature

DOI: 10.1016/j.oraloncology.2011.08.002  
Oral Oncology, 2011, 47, 1005-10.

**Source:** <https://exaly.com/paper-pdf/51088070/citation-report.pdf>

**Version:** 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
