

CITATION REPORT

List of articles citing

Occurrence and propagation of delamination during the machining of carbon fibre reinforced plastics (CFRPs) An experimental study

DOI: 10.1016/j.compscitech.2011.08.002

Composites Science and Technology, 2011, 71, 1719-1726.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
