

# CITATION REPORT

List of articles citing

Hydroxychloroquine reduces binding of antiphospholipid antibodies to syncytiotrophoblasts and restores annexin A5 expression

DOI: 10.1016/j.ajog.2011.06.064

American Journal of Obstetrics and Gynecology, 2011, 205, 576.e7-14.

**Source:** <https://exaly.com/paper-pdf/51168058/citation-report.pdf>

**Version:** 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
