List of articles citing

Indications for the use of probiotics in gastrointestinal diseases

DOI: 10.1159/000332980

Digestive Diseases, 2011, 29, 574-87.

Source: <https://exaly.com/paper-pdf/51207475/citation-report.pdf>

Version: 2024-04-04

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
