

CITATION REPORT

List of articles citing

Oral branched-chain amino acid granules reduce the incidence of hepatocellular carcinoma and improve event-free survival in patients with liver cirrhosis

DOI: 10.1159/000327571

Digestive Diseases, 2011, 29, 326-32.

Source: <https://exaly.com/paper-pdf/51874483/citation-report.pdf>

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
