

# CITATION REPORT

List of articles citing

Hygiene and other early childhood influences on the subsequent function of the immune system

DOI: 10.1159/000323877

Digestive Diseases, 2011, 29, 144-53.

**Source:** <https://exaly.com/paper-pdf/52015895/citation-report.pdf>

**Version:** 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
