List of articles citing

What do we know about the economic impact of fetal alcohol spectrum disorder? A systematic literature review

DOI: 10.1093/alcalc/agr029

Alcohol and Alcoholism, 2011, 46, 490-7.

**Source:** <https://exaly.com/paper-pdf/52044841/citation-report.pdf>

**Version:** 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
