

# CITATION REPORT

List of articles citing

Initial binding and recellularization of decellularized mouse lung scaffolds with bone marrow-derived mesenchymal stromal cells

DOI: 10.1089/ten.tea.2011.0301

Tissue Engineering - Part A, 2012, 18, 1-16.

**Source:** <https://exaly.com/paper-pdf/52354746/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
