

# CITATION REPORT

List of articles citing

## Epidemiological Aspects and World Distribution of HTLV-1 Infection

DOI: 10.3389/fmicb.2012.00388  
Frontiers in Microbiology, 2012, 3, 388.

**Source:** <https://exaly.com/paper-pdf/52650008/citation-report.pdf>

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
931	HTLV-I infection in the South West Indian Ocean islands, particularly in La Réunion and the Seychelles. <b>2013</b> , 106, 248-53		2
