

# CITATION REPORT

List of articles citing

Effects of blue-enriched light on the daily course of mood, sleepiness and light perception: A field experiment

DOI: 10.1177/1477153512447528

Lighting Research and Technology, 2012, 44, 506-513.

**Source:** <https://exaly.com/paper-pdf/52695968/citation-report.pdf>

**Version:** 2024-04-17

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
