

# CITATION REPORT

List of articles citing

Maternal use of hydroxychloroquine is associated with a reduced risk of recurrent anti-SSA/Ro-antibody-associated cardiac manifestations of neonatal lupus

DOI: 10.1161/circulationaha.111.089268  
Circulation, 2012, 126, 76-82.

**Source:** <https://exaly.com/paper-pdf/52700655/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
