

# CITATION REPORT

List of articles citing

The Impact of Extreme Low Flows on the Water Quality of the Lower Murray River and Lakes (South Australia)

DOI: 10.1007/s11269-012-0113-2

Water Resources Management, 2012, 26, 3923-3946.

**Source:** <https://exaly.com/paper-pdf/53231954/citation-report.pdf>

**Version:** 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
