

# CITATION REPORT

List of articles citing

Type 2 diabetes mellitus and 20 year incidence of periodontitis and tooth loss

DOI: 10.1016/j.diabres.2012.09.039

Diabetes Research and Clinical Practice, 2012, 98, 494-500.

**Source:** <https://exaly.com/paper-pdf/53302253/citation-report.pdf>

**Version:** 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
