

# CITATION REPORT

List of articles citing

Fibroin scaffold repairs critical-size bone defects in vivo supported by human amniotic fluid and dental pulp stem cells

DOI: 10.1089/ten.tea.2011.0542

Tissue Engineering - Part A, 2012, 18, 1006-13.

**Source:** <https://exaly.com/paper-pdf/53482882/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
