

# CITATION REPORT

List of articles citing

Prospective evaluation of anticoagulation and transjugular intrahepatic portosystemic shunt for the management of portal vein thrombosis in cirrhosis

DOI: 10.1111/j.1478-3231.2012.02785.x  
Liver International, 2012, 32, 919-27.

**Source:** <https://exaly.com/paper-pdf/53559093/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
