

# CITATION REPORT

List of articles citing

Effects of chronic sildenafil use on pulmonary hemodynamics and clinical outcomes in heart transplantation

DOI: 10.1016/j.healun.2012.09.009

Journal of Heart and Lung Transplantation, 2012, 31, 1281-7.

**Source:** <https://exaly.com/paper-pdf/53836747/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
