

# CITATION REPORT

List of articles citing

**Protein supplementation increases muscle mass gain during prolonged resistance-type exercise training in frail elderly people: a randomized, double-blind, placebo-controlled trial**

**DOI: 10.1016/j.jamda.2012.05.020**

**Journal of the American Medical Directors Association, 2012, 13, 713-9.**

**Source:** <https://exaly.com/paper-pdf/53889845/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
