

CITATION REPORT

List of articles citing

A nanohybrid system for taste masking of sildenafil

DOI: 10.2147/ijn.s28264

International Journal of Nanomedicine, 2012, 7, 1635-49.

Version: 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
