List of articles citing

Survival after liver resection in metastatic colorectal cancer: review and meta-analysis of prognostic factors

DOI: 10.2147/clep.s34285

Clinical Epidemiology, 2012, 4, 283-301.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
