

CITATION REPORT

List of articles citing

Randomized trial of insulin versus usual care in reducing restenosis after coronary intervention in patients with diabetes. the STent Restenosis And Metabolism (STREAM) study

DOI: 10.1016/j.carrev.2011.12.001

Cardiovascular Revascularization Medicine, 2012, 13, 95-100.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
