

CITATION REPORT

List of articles citing

Dietary modulation of clostridial cluster XIVa gut bacteria (*Roseburia* spp.) by chitin-glucan fiber improves host metabolic alterations induced by high-fat diet in mice

DOI: 10.1016/j.jnutbio.2010.10.008

Journal of Nutritional Biochemistry, 2012, 23, 51-9.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
