

CITATION REPORT

List of articles citing

Holistic quality evaluation of commercial white and red ginseng using a UPLC-QTOF-MS/MS-based metabolomics approach

DOI: 10.1016/j.jpba.2012.01.010

Journal of Pharmaceutical and Biomedical Analysis,
2012, 62, 258-73.

Source: <https://exaly.com/paper-pdf/54586545/citation-report.pdf>

Version: 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
