List of articles citing

Robust Cascaded Nonlinear Predictive Control of a Permanent Magnet Synchronous Motor With Antiwindup Compensator

DOI: 10.1109/tie.2011.2167109

IEEE Transactions on Industrial Electronics, 2012, 59, 3078-30

Source: <https://exaly.com/paper-pdf/54653657/citation-report.pdf>

Version: 2024-04-17

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
