

# CITATION REPORT

List of articles citing

Changes in water and beverage intake and long-term weight changes: results from three prospective cohort studie

DOI: 10.1038/ijo.2012.225

International Journal of Obesity, 2013, 37, 1378-85.

**Source:** <https://exaly.com/paper-pdf/54801034/citation-report.pdf>

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
