

CITATION REPORT

List of articles citing

The mycotic ulcer treatment trial: a randomized trial comparing natamycin vs voriconazole

DOI: 10.1001/jamaophthalmol.2013.1497
JAMA Ophthalmology, 2013, 131, 422-9.

Source: <https://exaly.com/paper-pdf/54893026/citation-report.pdf>

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
