

CITATION REPORT

List of articles citing

Application of the adjuvant! Online model to Korean breast cancer patients: an assessment of prognostic accuracy and development of an alternative prognostic tool

DOI: 10.1245/s10434-013-2956-z

Annals of Surgical Oncology, 2013, 20, 2615-24.

Version: 2024-04-17

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
