

# CITATION REPORT

List of articles citing

Pervasive, long-lasting impact of historical logging on composition, diversity and above ground carbon stocks in Afrotropical forest

DOI: 10.1016/j.foreco.2013.09.037

Forest Ecology and Management, 2013, 310, 887-895.

**Source:** <https://exaly.com/paper-pdf/55073153/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
