

A benders decomposition approach for an integrated air
assignment problem with flight retiming, schedule bala

Annals of Operations Research

210, 213-244

DOI: [10.1007/s10479-011-0906-3](https://doi.org/10.1007/s10479-011-0906-3)
