

# CITATION REPORT

List of articles citing

## Cellular effects of acute direct current stimulation: somatic and synaptic terminal effects

DOI: 10.1113/jphysiol.2012.247171  
Journal of Physiology, 2013, 591, 2563-78.

**Source:** <https://exaly.com/paper-pdf/55320827/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
