

# CITATION REPORT

List of articles citing

Gut hormones, early dumping and resting energy expenditure in patients with good and poor weight loss response after Roux-en-Y gastric bypass

DOI: 10.1038/ijo.2013.15

International Journal of Obesity, 2013, 37, 1452-9.

**Source:** <https://exaly.com/paper-pdf/55407619/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
