

# CITATION REPORT

List of articles citing

Updated standardized endpoint definitions for transcatheter aortic valve implantation: the Valve Academic Research Consortium-2 consensus document

DOI: 10.1016/j.jtcvs.2012.09.002

Journal of Thoracic and Cardiovascular Surgery, 2013, 145, 6-23.

**Source:** <https://exaly.com/paper-pdf/55423783/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
