

# CITATION REPORT

List of articles citing

The impact of cesarean section on offspring overweight and obesity: a systematic review and meta-analysis

DOI: 10.1038/ijo.2012.195

International Journal of Obesity, 2013, 37, 893-9.

**Source:** <https://exaly.com/paper-pdf/55442553/citation-report.pdf>

**Version:** 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
