

CITATION REPORT

List of articles citing

Comparing cortical plasticity induced by conventional and high-definition 4 × 1 ring tDCS: a neurophysiological study

DOI: 10.1016/j.brs.2012.09.010
Brain Stimulation, 2013, 6, 644-8.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
