

# CITATION REPORT

List of articles citing

Three-year follow-up after unilateral subretinal delivery of adeno-associated virus in patients with Leber congenital Amaurosis type 2

DOI: 10.1016/j.opthta.2012.11.048  
Ophthalmology, 2013, 120, 1283-91.

**Source:** <https://exaly.com/paper-pdf/55533572/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
