

# CITATION REPORT

List of articles citing

Short- and long-term behaviors of drifts in the Callovo-Oxfordian claystone at the Meuse/Haute-Marne Underground Research Laboratory

DOI: 10.1016/j.jrmge.2013.05.005  
Journal of Rock Mechanics and Geotechnical Engineering, 2013, 5, 221-230.

**Source:** <https://exaly.com/paper-pdf/55675208/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
