

CITATION REPORT

List of articles citing

Mediterranean diet and non enzymatic antioxidant capacity in the PREDIMED study: evidence for a mechanism of antioxidant tuning

DOI: 10.1016/j.numecd.2012.12.008
Nutrition, Metabolism and Cardiovascular Diseases,
2013, 23, 1167-74.

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
