

CITATION REPORT

List of articles citing

A systematic review of interventions to reduce HIV-related stigma and discrimination from 2002 to 2013: how far have we come?

DOI: 10.7448/ias.16.3.18734

Journal of the International AIDS Society, 2013, 16, 18734.

Source: <https://exaly.com/paper-pdf/56211533/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
