

CITATION REPORT

List of articles citing

Long-term exposure to road traffic noise and incident diabetes: a cohort study

DOI: 10.1289/ehp.1205503

Environmental Health Perspectives, 2013, 121, 217-22.

Source: <https://exaly.com/paper-pdf/56334538/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
