List of articles citing

## Analysis of compound weighing precision in drug discovery

DOI: 10.1177/1087057112461152

Journal of Biomolecular Screening, 2013, 18, 331-40.

**Version:** 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
