

# CITATION REPORT

List of articles citing

Associations of estimated glomerular filtration rate and albuminuria with mortality and renal failure by sex: a meta-analysis

DOI: 10.1136/bmj.f324  
BMJ, The, 2013, 346, f324.

**Source:** <https://exaly.com/paper-pdf/56379405/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
