

# CITATION REPORT

List of articles citing

The role of oxytocin in psychiatric disorders: a review of biological and therapeutic research findings

DOI: 10.1097/hrp.ob013e3182a75b7d

Harvard Review of Psychiatry, 2013, 21, 219-47.

**Source:** <https://exaly.com/paper-pdf/56381963/citation-report.pdf>

**Version:** 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
