

# CITATION REPORT

List of articles citing

Revised microcalcification hypothesis for fibrous cap rupture in human coronary arteries

DOI: 10.1073/pnas.1308814110

Proceedings of the National Academy of Sciences of the United States of America, 2013, 110, 10741-6.

**Source:** <https://exaly.com/paper-pdf/56774199/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
