

CITATION REPORT

List of articles citing

Laminins in basement membrane assembly

DOI: 10.4161/cam.21831

Cell Adhesion and Migration, 2013, 7, 56-63.

Source: <https://exaly.com/paper-pdf/56822203/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
302	The union of somatic gonad precursors and primordial germ cells during <i>Caenorhabditis elegans</i> embryogenesis. 2013 , 379, 139-51		8
301	Skin basement membrane: the foundation of epidermal integrity--BM functions and diverse roles of bridging molecules nidogen and perlecan. 2013 , 2013, 179784		107
300	Skeletal muscle microvasculature in the diagnosis of neuromuscular disease. 2013 , 72, 906-18		13
299	MMP mediated degradation of type IV collagen alpha 1 and alpha 3 chains reflects basement membrane remodeling in experimental and clinical fibrosis--validation of two novel biomarker assays. 2013 , 8, e84934		110
