

CITATION REPORT

List of articles citing

Variability in UDP-glucuronosyltransferase genes and morphine metabolism: observations from a cross-sectional multicenter study in advanced cancer patients with pain

DOI: 10.1097/fpc.0b013e32835ce485

Pharmacogenetics and Genomics, 2013, 23, 117-26.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
