

CITATION REPORT

List of articles citing

Magnitude of Construction Cost and Schedule Overruns in Public Work Projects

DOI: 10.1155/2013/935978

Journal of Construction Engineering, 2013, 2013, 1-9.

Source: <https://exaly.com/paper-pdf/57230787/citation-report.pdf>

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
