

# CITATION REPORT

List of articles citing

**Temporomandibular disorders: a review of etiology, clinical management, and tissue engineering strategies**

**DOI: 10.11607/jomi.te20**

**International Journal of Oral and Maxillofacial  
Implants, 2013, 28, e393-414.**

**Source:** <https://exaly.com/paper-pdf/57237435/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
