

CITATION REPORT

List of articles citing

Chemical composition and bioactive compounds of grape pomace (*Vitis vinifera* L.), Benitaka variety, grown in the semiarid region of Northeast Brazil

DOI: 10.1590/s0101-20612014000100020

Food Science and Technology, 2014, 34, 135-142.

Source: <https://exaly.com/paper-pdf/57384999/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
