

CITATION REPORT

List of articles citing

House dust exposure mediates gut microbiome
Lactobacillus enrichment and airway immune defense
against allergens and virus infection

DOI: 10.1073/pnas.1310750111

Proceedings of the National Academy of Sciences of
the United States of America, 2014, 111, 805-10.

Source: <https://exaly.com/paper-pdf/57725889/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
